

01. Contents:

- 1 x Folding Table Top
- 1 x Branded Stretch Cover
- 1 x Plastic Support Ring
- 4 x Upper Leg Bars
- 4 x Lower Leg Bars
- 1 x Carry Case

02. Connect a lower leg bar to an upper leg bar using the push pin mechanism, and repeat the procedure to create 4 full length legs.

03. One by one, pass a leg through one of the holes in the plastic support ring, and lock it into place by rotating the push pin into the socket.

04. Once all 4 legs are locked into the support ring, splay the legs out and place on top of the underside of the table top as shown in the image.

05. Attach each leg to a bracket on the table top using the push pin mechanisms.

06. Turn the table over on to its feet and place the branded stretch cover over the top of the table.

07. Put each of the legs into the corresponding leg pockets on the stretch cover.

08. Ensuring the top of the stretch cover is lined up with the table top, connect the open sides of the stretch cover by pulling down the zip to the floor.

09. Setup of the Cocktail Table is now complete.
